BEFORE

AFTER

Your workplace assistant makes accessing your favourite cloud storage service easy.

Just log in to any supported cloud service at your MFP to scan or print. Your document is ready to share with no additional actions.

For added convenience, Connect Apps offer single sign on functionality when using a supported authentication solution,* helping you to save even more time and reducing frustration.

Xerox® Connect Apps for Cloud Storage

Xerox® Connect Apps for cloud services make it safe and easy to create highly efficient workflows by connecting your Xerox® ConnectKey® Technology-enabled devices to your cloud storage app of choice. Scan directly to a cloud folder for easy sharing and collaboration or print documents stored in the cloud with just a few touches directly at the MFP.

Collaborate

With cloud-stored documents, collaboration between multiple users is easier and more productive.

Share

Scan documents directly to the cloud for easy access from any location, any device. Access your documents even when you're away from the office.

Digitise

Reduce reliance on local files; digitise paper records for easier access, searchability or storage.

Your workplace assistant is ready and waiting.

Streamline workflows and tame complex processes in any office setting with Xerox® ConnectKey® Technology-enabled devices and apps for your workplace assistant.
